

# Ford Interceptor Police Brakes

**GOLD**

Police applications are demanding. That’s why ACDelco Gold Police Brake Pads and Rotors are designed with those high-stress needs in mind. The LINK Conformity Assessment is a voluntary program to predict vehicle performance for stopping distance using Federal Motor Vehicle Safety Standards (FMVSS) requirements. Although mandatory certification for individual brake components is not required, ACDelco continues its tradition of extensive testing, combined with reliable and proven suppliers for friction materials and accredited testing services.

## DECLARATION OF CONFORMITY

In accordance to LINK’s Police Laboratory Brake Evaluation Program with OE baseline

AMP3™  
Analysis Measuring Power, Performance and Precision.

**Report number 170002**

### TESTING PLATFORM – 2013-2018 Ford Explorer Police Interceptor

Conformity Report Listing of Approved Products		
ACDelco Front Brake Pad 17D1611AMHPVF1	PASS	PASS
ACDelco Rear Brake Pad 17D1612MHPVF1	PASS	PASS

## DECLARATION OF CONFORMITY

In accordance to LINK’s Police Laboratory Brake Evaluation Program with OE baseline

ACDelco Front Brake Pad 17D11611AMHPVF1 Results	ACDelco Rear Brake Pad 17D11612AMHPVF1 Results
--	---

SAE-J2784 – FMVSS 135		
Calculated stopping distance during effectiveness sections	PASS	PASS
Calculated stopping distance during failed power unit sections	PASS	PASS
Average deceleration during fade heating snubs	PASS	PASS
SAE-J2707		
Average brake pad wear compared to baseline	PASS	PASS
Average rotor wear compared to baseline	PASS	PASS

# Ford Interceptor Police Brakes

**GOLD**

ACDelco Gold police brake parts are high quality parts backed by General Motors. These parts are manufactured to meet specifications for fit, form and function, making them a smart choice for the Ford Explorer Interceptor police pursuit vehicle.

## POLICE BRAKE PADS

Exceptional performance for the high-stress environment in which they operate, featuring:

- **Confident high-speed braking and quiet operation**
- **Higher durability than standard Gold Brake Pads**
- **Quality assurance from a constrained shim with the ACDelco logo**
- **Steel mechanical attachment**
- **Quiet operation**

## POLICE BRAKE ROTORS

Stopping power that supports critical police applications

- **Specifically weighted to dissipate heat faster than standard Gold Brake Rotors**
- **High Carbon iron metallurgy is used to dampen brake noise and vibration for quiet arrivals**
- **Faster recovery rate than standard Gold Brake Rotors due to high carbon content**
- **Police-specific vane configuration, which helps reduce brake fade at high temperatures**
- **Protective polymer binding coating helps shield the rotors from the elements for maximum durability**

## SERVICE VEHICLE CALIPERS

- **54 SKU's covering domestic vehicles**
- **Loaded with severe duty pads**
- **High temperature silicone boots and lube**

24 Month/40,000 KM Limited Warranty: Our most common Parts Warranty offers coverage on the majority of our Genuine GM Parts and ACDelco service replacement parts.
