

smartcarwash™

Premium bodywork shampoo & gloss enhancer in one

A naturally derived bio-degradable citrus-based high-performance formula delivers a car wash concentrate that loosens and emulsifies the toughest dirt and road grime; while allowing them to glide off the surface leaving it smooth and shiny. This gentle car wash lubricates the paint to protect against scratching while you wash.

smartcarwash™ - state-of-the-art car wash & gloss enhancer is non-streaking and pH balanced to protect all clear coat finishes. Its free-rinsing conditioning agents and paint nutrients provide sparkling, streak- and spot-free results without stripping the wax. This scientifically formulated lubricating shampoo and conditioner is a cutting-edge formula that is gentle on all painted finishes as well as rubber, vinyl and plastic components.

- Cleans & conditions
- Adds gloss & shine
- Produces long-lasting suds & foam
- Tough on dirt, but gentle to paint and wax

ITEM# 02675207

smartdetail™

is a Carnauba enhanced spray-and-wipe wax and quick detail gloss enhancer

- Restores a deep, wet-look shine in seconds
- Quick shine & protection between waxes
- Removes fingerprints and water spots
- Great for maintaining a "Just Detailed" look

smartdetail™ restores a just-waxed, deep, wet-looking shine to your car's paint, trim and glass in a matter of minutes. Use it after washing to restore slickness, shine and full smartwax® protection.

Use it between washes to remove light dust, fingerprints, insects and bird droppings.

Use smartdetail™ as a quick detailer, waterless car wash, a clay bar lubricant, or to enhance the shine and depth of paint, chrome, plastic, aluminum and glass.

smarttowel™ - a Microfibre Revolution

Softer, finer and more absorbent than any other Microfiber or conventional cloth available. Our highest quality 70% polyester - 30% polyamide - 100% microfiber grade towels have 200,000 strands of fiber per square inch. One single strand of smarttowel Microfiber is 10 times finer than silk and 100 times thinner than a human hair.

an evolution in car care

an evolution in car care

smartwax® – Pure 100% carnauba based wax and polish - cleans, shines and protects your vehicle in one simple step. It's the easiest to use wax on the planet. smartwax® restores and enhances original shine while safely removing any type of contamination.

CLEAN & POLISH

smartwax – easily and non-abrasively cleans and restores all painted surfaces. It helps remove tree sap, bird droppings, dead bugs, road film and even over-spray without damaging the surface.

SHINE

smartwax's New Non-Stick technology delivers the wettest looking, longest lasting depth of shine in an easy to use wipe-on / wipe-off formula. Applied in the sun or shade, on a wet or dry surface, smartwax leaves absolutely no dust, smears or powdery residue.

PROTECT

smartwax's UV 40 sunscreen protection reduces fading, oxidation and cracking of paints. Other uses: Can be used on windows, glass, chrome, aluminum and virtually any painted surface.

ITEM# 02675208

smartdressing™

Maintains and restores a new car shine to all vinyl, tire & rubber surfaces while protecting against premature aging and UV exposure.

smartdressing™ is a non-greasy dry to the touch premium cleaner & conditioner that is highly versatile and provides an outstanding natural new look shine with pleasant coconut scent. The rich pH balanced conditioning formula penetrates beyond the surface to rejuvenate and maintain pliability and integrity of the covering.

smartdressing™ is specially formulated with UV blocking agents to help keep surfaces from cracking, fading and hardening while defending them against harmful sunrays.

The ease of use, UV protection, new car showroom shine, pleasant scent, and natural non-greasy dry to the touch feel is unmatched.

- Restores new car shine
- Cleans & conditions
- Protects against fading, drying & cracking
- One step application
- Non-greasy dry to touch
- Fresh clean fragrance
- Interior & exterior uses
