

Starters and Alternators - New

GOLD

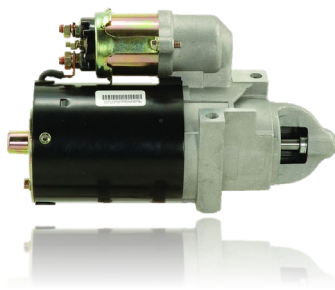

ACDelco Gold NEW starters and alternators are another alternative to our remanufactured line. These parts are manufactured to meet expectations for fit, form and function making them a smart choice for General Motors vehicles, as well as most other makes and models. These high-quality starters and alternators are backed by General Motors.

STARTERS

Tested for:

- Solenoid contact life
- Coil balance and pull strength
- Drive gears and clutches assembled to tight specifications

Part# 337-1011

Part# 335-1000

ALTERNATORS

Tested for:

- Voltage stability
- Terminal function
- Electronic circuit board integrity

Refer to the electronic parts catalogue or ACDelco's electronic catalogue at www.acdelcocoanada.com for the most up-to-date applications.
