

# ReadyStruts

**GOLD**

ACDelco Gold ReadyStruts come pre-assembled in a ready-to-install strut package, complete with strut, coil spring, bearing, and strut mounts. No special installation tools are needed, and the pre-assembly means that the spring seat, vehicle mounting points and brake hose brackets are already placed in their proper location.

(Some ACDelco Gold ReadyStruts formerly appeared as ACDelco Professional)

## QUALITY AND CONVENIENCE ALL IN ONE PART

For quality alongside convenience, the gas-charged ACDelco Gold ReadyStruts have:

- Powder-coated components
- Seamless pressure tubes
- Powdered metal pistons
- Single lip seals
- Cold wound coil springs
- UV resistant brushings
- Lead-free OE paint

Refer to the electronic parts catalogue or [www.acdelcocanada.com](http://www.acdelcocanada.com) for the most up-to-date applications and a complete list of parts

## FEATURES & BENEFITS

- Pre-assembled kit is more convenient than assembling individual components
- High quality strut rods are constructed of high carbon steel, straightened, micro-finish ground, quality chrome plated, and with a diameter equal to or greater than the original equipment
- Micro finished pressure tube bore for smooth operating surface of piston and seal
- Powdered metal pistons resulting in precision tolerance for crisp blow-off valving
- Contain high performance hydraulic oil with friction modifiers and anti-foaming agents for consistent damping force through a wide operation temperature range

Limited Lifetime Warranty: Our most common Parts Warranty offers coverage on the majority of our Genuine GM Parts and ACDelco service replacement parts. Effective on parts purchased February 3, 2020 and later to the original retail purchaser. Contact your ACDelco parts supplier for limited warranty part details and qualifications.
