PERFORMANCE REAR WIPER BLADES

Be a part of the only
Aftermarket program
that addresses the future
of Rear Wiper Blades.

There's been a trend in rear wiper blade design that's been dominating the market. Sleek and stylish, today's rear wiper blades are moulded to look like an integral part of the rear wiper arm. ACDelco has a robust rear wiper blade line that supports this growing vehicle design.

This means that your customers will be able to conveniently purchase both their front and rear wiper blades from you. They'll no longer have to return to their dealership for these blades. And, you can take advantage of this huge market.
