

ACDelco Severe Duty / Performance Rotors

Experience the superior stopping power of Severe Duty rotors!

Product Highlights

- Specially designed rotor grooves and metallurgy provide exceptional stopping power
- 103 total part numbers
- 27 GM / 76 Non GM vehicle applications
- 12 month / unlimited KM warranty (parts only)

Features

Specially designed venting
"S-Grooves"
(supplier patent #D640,620)

Universal Slot Design

Corrosion resistance black on hat and
grey coating on rotor

High carbon damped iron design

Benefits

- Dyno proven, improved gas outflow from rotor
- Greater brake pedal "feel and performance"
- Eliminates the need to drill holes that are prone to crack

- Eliminates need for right and left rotors

- Helps reduce corrosion on rotor surface and vane edges

- Helps rotor stay cooler and reduces noise

Selling Points

- Uniquely designed for Off Road Vehicles, SUVs, Trucks, Fleet Trucks
- Ideal for braking performance upgrades
- Great rotor visual appearance
