

Pads and Rotors

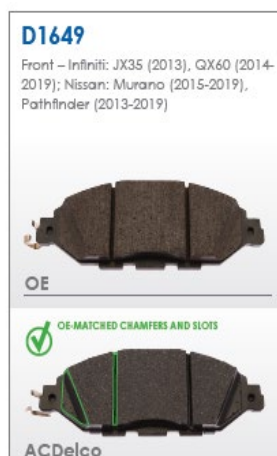

GOLD

ACDelco Gold pads match the Original Equipment (OE) pad in fit, form and function. That's why ACDelco Gold pads and rotors, backed by GM, have you covered with a 24 month/40,000km limited warranty. (ACDelco Gold formerly appeared as ACDelco Professional.)

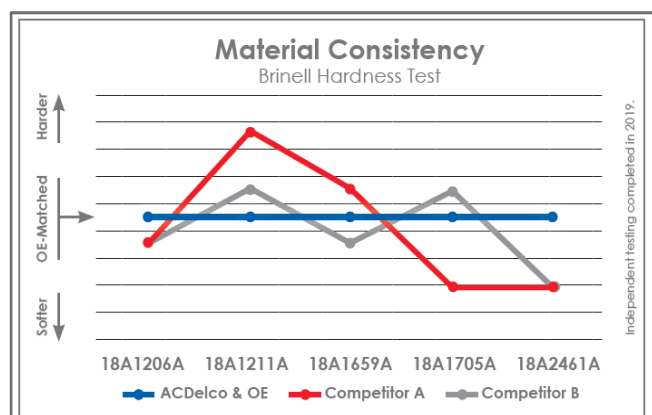

SLOTS OR CHANNELS are used for Noise Vibration Harshness (NVH) tuning, by either allowing for the shift of natural frequencies to avoid noise instabilities or increasing the flexibility of the pad to address thermally induced pulsation.

PAD CHAMFERS are used for NVH tuning by adjusting the alignment of pad contact with the part of the brake rotor associated with a noise instability.

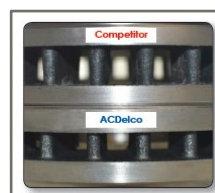

Other aftermarket brake pads may not match the original equipment and/or offer consistent quality.

ACDelco Gold (Professional) Disc Brake Rotors gives customers an OE like brake system in heat dissipation, brake fade, reduced noise, stopping distance and pad / rotor wear.

ACDelco Part Number	Air Gap (mm)		Rotor Weight (lbs.)	
	ACDelco	Competitor	ACDelco	Competitor
18A1206A	OE-Matched	+4.8 mm	OE-Matched	-3.3 lbs
18A1211A	OE-Matched	+2.4 mm	OE-Matched	-1.2 lbs
18A1659A	OE-Matched	+0.9 mm	OE-Matched	-0.9 lbs
18A1705A	OE-Matched	+1.2 mm	OE-Matched	-0.3 lbs
18A2461A	OE-Matched	+0.5 mm	OE-Matched	-0.5 lbs

Other aftermarket brake rotors may not match the original equipment and/or offer consistent quality.

24 Month/40,000 KM Limited Warranty: Our most common Parts Warranty offers coverage on the majority of our Genuine GM Parts and ACDelco service replacement parts. Effective on parts purchased February 3, 2020 and later to the original retail purchaser. Contact your ACDelco parts supplier for limited warranty part details and qualifications.
