

# Oil Filters

OE

GOLD

ACDelco offers GM Original Equipment (OE) oil filters for GM vehicles and ACDelco Gold, a full line of premium aftermarket oil filter products for GM and non-GM vehicles. These filters have excellent capacity, consistent flow management, and high durability, providing exceptional performance and efficiency. ACDelco also offers a third line of Silver oil Filters for a more cost conscious customer.

(ACDelco Gold formerly appeared as ACDelco Professional.)

## FILTER PRODUCTS

- ACDelco Standard filter
- ACDelco Ultraguard™ filter
- Cartridge Only filters available for select vehicles.

## STANDARD FILTERS

- ACDelco filters use a blended media, including cellulose, polyester and microglass for optimal efficiency and greater dirt-holding capacity
- Nylon poppet style bypass valve in rear for today's high flow engines
- The ACDelco Standard filter has 10 times more open area in the core for improved flow
- Improved filter cleanliness increased filter test life

## ULTRAGUARD™ FILTERS

**ACDelco Ultraguard™** Oil Filters are designed using filtering technology that helps provide tight seals and reduced engine wear. These premium oil filters provide outstanding protection for demanding uses. The ACDelco Ultraguard™ Oil Filter is the clear choice when performance matters.

- Heavy duty shell material is tested to four (4) times normal engine oil pressure
- Heavy threaded plate helps protects against pressure spikes
- Ethylene Acrylate Rubber (AEM) premium anti-drainback valve tested to 175C (347F).
- Heavy duty steel cover supports a high temperature gasket tested to 175C (347F).
- Spiral wound steel core tested to twice the OEM collapse requirement.
- Poppet style bypass valve (if required) with heat treated spring matching OEM pressure specifications.
- Blended media are tested beyond normal change intervals.
